
San Antonio Radio Club Christmas Party

It's really not long till that most "looked forward to" event of the San Antonio Radio Club, The Christmas Party. This is the one time of the year when old and new friends meet and discuss everything (even the ins and outs of "ham" radio.) There will be the usual exchange of gifts. The ladies bring something suitable for YL's or XYL's and the gentlemen bring something for OM's. We will put them on the tree and exchange gifts after dinner.

The party will start with a turkey dinner and music will be furnished for dancing afterwards.

Get your reservations NOW. Tickets will be available at Lamp's, 828 Brooklyn, or from Willard Carmack. Price is $2.25 per person which will include set-ups. Reservations must be in by December 9, for better service.

This is a special invitation and the party just will not be the same without YOU.
